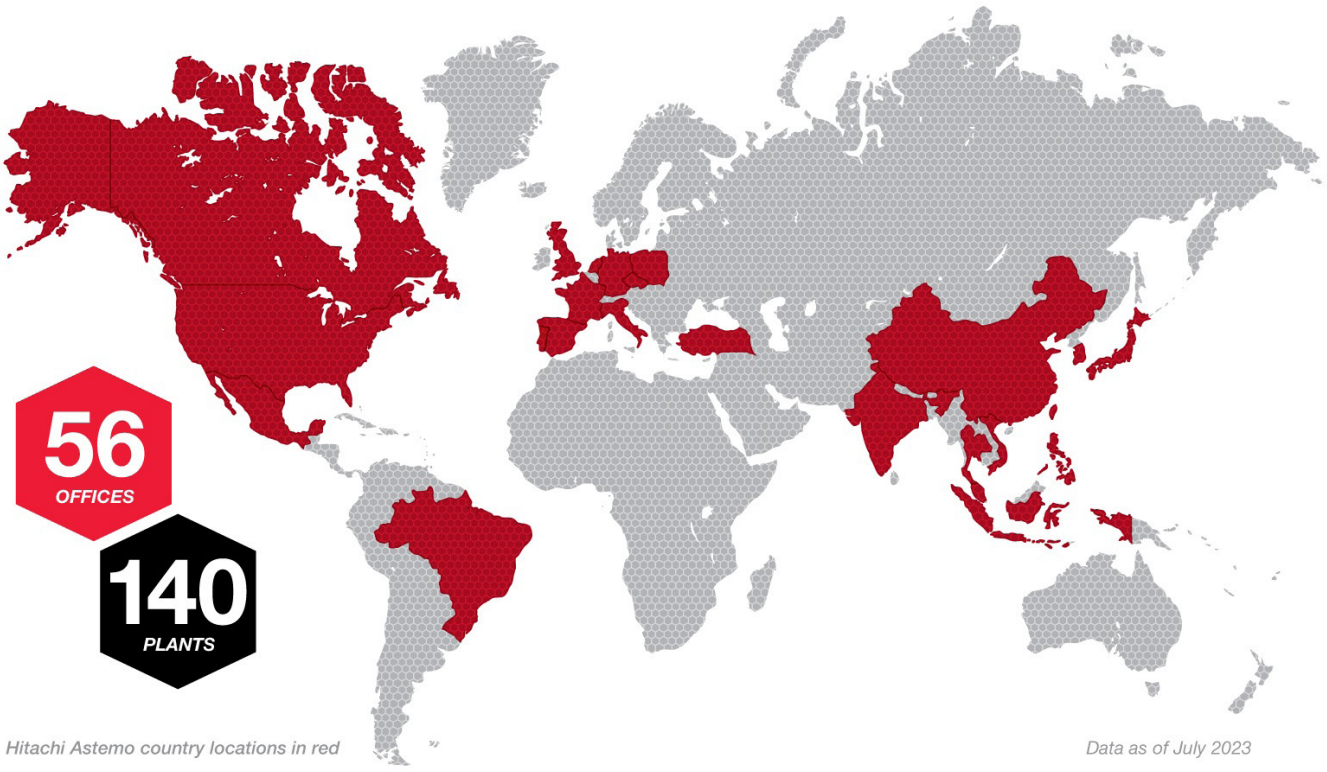
COMPANY OVERVIEW



Hitachi Astemo country locations in red

Data as of July 2023

In an increasingly competitive marketplace, “fixing it right” is crucial to staying on the road and is just good business. For years, Astemo has been universally recognized as a manufacturer for major automotive original equipment manufacturers worldwide, adhering to IATF 16949:2016 and ISO 9001:2015 industry standards.

Now, Astemo is increasing its presence in the Aftermarket, enabling customers to choose our engine management, steering, undercar, rotating electrical, cooling, and lubrication for their service, replacement or performance needs.

The company is based in Farmington Hills, Michigan with the Aftermarket sales division located in Cypress, California, servicing customers across North America.
