VEGA SERIES SPEAKERS

V465C

6.5" VEGA 2-Way Component Speaker Set

ONE SHEET

pgrade your vehicle's sound system with the Cerwin-Vega V465C 6.5" VEGA Series 2-Way Component Speaker Set with Titanium Tweeters, engineered to deliver powerful mid-bass, crystal-clear highs, and legendary Cerwin-Vega performance. Designed for car audio enthusiasts who demand high fidelity and strong output, the VEGA Series carries forward the iconic Cerwin-Vega sound that has defined the brand since 1954.

The V465C component speaker system features a 6.5-inch mid-bass driver paired with separate titanium dome tweeters, creating a true 2-way component setup that provides superior sound staging and clarity. By separating the tweeter from the woofer, this design allows for optimal speaker placement within your vehicle, resulting in improved imaging, better detail, and a more immersive listening experience.
